Rockwell Part

Rockwell Part - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and components along with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their clients' expectations for delivery, quality, service and technology. They believe in working in an environment which encourages the highest integrity with empowered teamwork, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of ecological stewardship and safety in how they do business. The company has put various programs in place in order to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with any questions or comments, as they are glad to promote and share this policy with a greater understanding of their efforts. They are really devoted to improving and preserving the environment. AxleTech has an EHS program which not only protects the natural environment but which also actively protects their employees and neighbors too.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in manufacturing and designing planetary axles for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech particularly designs axles to be able to meet specific application demands. They have over 1000 various axle specs within their existing offering. With over 100+ years of skill and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The company is well known in various commercial and military applications. They offer complete axle assemblies used for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have added details that could be found in the "ISAS" product collection.
