

## American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are recognized within the industry as providing durable and strong equipment which meets all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could provide parts, warranty service and equipment for these kinds of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where efficiency and results make a difference. Lately, this floor scrubber model has been used by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
