

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how long and tiresome it would really be to clean-up after a party, with out help from equipment. Not too long ago, the dirt from upholstery and carpets had to be beat out of them manually; cleaning cloths, brooms, and brushes were the best cleaning products during that time.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After starting his business during the year 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's dream from the beginning was to own a global company selling goods internationally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This invention came in a time where numerous cleaning equipment were huge and required at least 4 operators, therefore, the Nilfisk C1 transformed everything and evolved the method we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing crisis; things get filthy and need to be cleaned regularly, without a lot of effort.

Slowly but progressively, Nilfisk-Advance developed throughout the years. During the nineteen eighties, this development actually occurred when the company became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be amongst the biggest international players in the market of professional cleaning machines. Nilfisk-Advance is presently found in all parts of the world due to steadily acquiring numerous small businesses in order to grow their product portfolio and presence in new markets. They are really proud to provide a range of cleaning solutions to fit each need.
