

## Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like providing products which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When needed, the employees within TREK and its many dealer members in both parts and in technical support will be accessible. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cleaning cost. The price, the service and the product all work as one to make them the leader in the industry.
